The Bucks county Home Service Regional Office will be moved to that location also.

She also said that her committee would welcome gifts of playing cards and pocket-size books and magazines, such donations may be left at Mrs. Sobel's home, 214 Jefferson avenue. The report of the Junior Red Cross was given by Mrs. Anthony Burton, chairman.

During the next two weeks the Red Cross flag will fly at Bristol Terrace kindergarten, and the community school, Tullytown, Jefferson and Croydon public schools or 100 per cent participation in Junior Red Cross enrollment. ### Mercury Dips Here To 30; The Season's First Frost

Ear muffs and mufflers came out of the mothballs in the Philadelphia area today as sub-freezing temperatures snapped the autumn air.

The mercury dropped to 28 degrees in the suburbs, bringing the season's first frost.

The weatherman said topcoats were in order because the day's low would probably be around 60 degrees.

The lowest temperature recorded here was from four o'clock this morning until six o'clock when the mercury stood at 30.

## SIZE OF THE VOTE

There will be 95,000,000  
Americans of voting age by No-  
vember 2, Election Day, the Cen-  
sus Bureau estimates. It also es-  
timates that 35,000,000 of them  
will not vote. This prediction  
seems likely to be borne out. That  
of course is their privilege in a  
free country—to vote or not to  
vote.

In 1944, according to the bu-  
reau, votes cast for President to-  
taled 47,976,263. But that was  
only 50.4 per cent of the voting  
age population. So if the same  
proportion of Americans of voting  
age go to the polls this year, the  
number of ballots cast will be  
53,580,000.

Of course, the ratio might  
equal that for 1940, when 49,820-  
000 citizens went to the polls, a  
percentage of 59.5 of the voting  
population. In that case the total  
this year will be 56,525,000. After  
all, 1944 was a war year, and it is  
possible that this year will see a  
larger percentage of the populace  
at the polls than 1940. But it  
doesn't seem likely.

Why is it that at the most only  
three out of five citizens take a  
hand in choosing a President? Part  
of the answer is that some  
of those who are old enough to  
vote are ineligible. They are un-  
able to satisfy residence require-  
ments or they are confined in  
prisons or mental hospitals. But  
all of these people, plus the in-  
habitants of the District of Co-  
lumbia, do not add up to 35,000-  
000.

The plain fact is that, in every  
presidential election, neither the  
issues nor the candidates have  
sufficient appeal to 40 per cent of  
the potential voters to cause them  
to go to the polls.

United States will soon have  
planes capable of flying 12,000  
miles and carrying 70 tons of  
bombs. And a man in the White  
House who doesn't like "Old Joe."

Only three per cent of Ameri-  
can people understand what they  
read, according to a survey. And  
they probably do not believe all  
of it.

A psychiatrist has been called  
in to tell the United Nations how  
to run the world, but some per-  
sons think a phenologist should  
have been called.

Truman called on Garner in  
Texas and was given a seven-  
course meal. No remarks, please,  
about the condemned man eating  
a hearty breakfast.

### Hot Potato

—by—  
**SAMUEL B. PETTINGILL**  
"The Gentleman from  
Indiana"

Canadian potatoes are now under-  
selling the local product in the po-  
tato state of Maine. After paying  
a duty of 37c and freight charges of  
43c, Canadian potatoes are 49c a  
hundred pounds cheaper in Port-  
land than Maine potatoes which are  
held up by a federal price floor of  
\$2.70 a hundred pounds.

In short, the Maine potato is now  
being "priced out" of the American  
market. Maine has shipped 153 car-  
loads, while Canada has shipped 338  
carloads into American markets.

The next step will be to raise the  
duty on Canadian potatoes to pro-  
tect the domestic grower. The  
American consumer will "pay the  
freight" and do so twice, by higher  
prices at the store, and by higher  
taxes to pay the losses of the gov-  
ernment in keeping domestic pota-  
toes on the top shelf. The wages-  
earner will then demand still high-  
er wages to pay the higher prices  
and taxes. The farmer, in turn,  
will then pay more for the things  
made in the city.

Unless Canadian potatoes are  
kept out of our markets, we shall  
be supporting not only our own  
farmers, but Canadian farmers as  
well. As price controls are built in-  
side a country, trade barriers must  
be built around the country. This  
potato picture puzzle must then be  
fitted into the loud American talk  
of freer world trade.

But, as one pair of government  
stiffls calls for another, our Social-  
ist planners refuse to admit defeat.  
They are now busy with a super-  
duper plan—a world government  
that will fix quotas for the pro-  
duction of potatoes around the globe,  
and the same for wheat, cotton, to-  
bacco, steel, etc. They plan to free  
world trade by worldwide controls!  
This will go on and on as long as  
the money holds out. It will be done  
by the same sized brains as those  
which have made such a miserable  
failure of achieving world peace.

When prices begin to fall, as they  
already show signs of doing, the  
losses by the government will be  
staggering. Thousands of banks  
would be broke on 60% loans on houses.  
Now the government is guaranteeing  
loans of 90%.

The punch drunk American still  
thinks the thing can be made to  
work. A recent poll shows 67% of  
the voters want prices controlled on  
what they buy, but no controls, of  
course, on what they sell, whether  
commodities or labor!

So, the greatest price-rigging op-  
eration in history moves on to its  
inevitable bust. The politicians will  
not admit failure because they hold  
their jobs only so long as the jerry-  
built structure stands up. The  
shrewd common sense of the people  
is bamboozled and neutralized by  
the tons of propaganda pouring out  
from government offices manned by  
bureaucrats whose jobs will last  
only as long as they keep the hoax  
alive.

Party-line service has helped tremendously. "Sharing

Party-line service is good service, too, especially when  
party-line neighbors share the line considerably.  
You'll find it pays to space your calls so that others may

## Today's Quiet Moment

By the Rev. Theo Kohlmeier  
Pastor  
St. Luke's Lutheran Church,  
Croydon

In the cathedral of Lubeck, in Germany there is an inscription that all might well ponder. It reads:

"Ye call Me Master and obey Me not; ye call Me light and see Me not; ye call Me Way and walk Me not; ye call Me Life and desire Me not; ye call Me Fair and love Me not; ye call Me God and fear Me not; if I condemn you, blame Me not."

How much more lip service God is getting from so many so-called Christians! It is high time that America returns to its Penitence faith. And there is still time to turn lip service into heart service. There is still time to "repent and believe the Gospel." But that time is now.

the birthday anniversary of their daughter, Mrs. William Claus, Buckley street. After cards, refreshments were served. The table was decorated with cut flowers. Guests attending were: Mrs. William Claus, Sr., Hulmeville, and Mrs. Jesse Daugherty, Middletown township; Mrs. Raymond Robinson, Newport Terrace; Mrs. Ida Hammond, Edgely; Mrs. William Frake, Mrs. Mabel Bickle, Mrs. Bessie Campbell, William Claus, Jr., and children, "Bonnie" and "Billy," the Misses Dorothy McCollie, Margaret and Elizabeth Kelly. Mrs. Claus was the recipient of gifts.

Mrs. William De Groot, Wilson avenue, and her mother, Mrs. William J. McCann, Bordentown, N. J., spent Friday at Arlington, Va., attending the funeral of a relative, Major John P. McCann, of the U. S. Marine Corps.

Mr. and Mrs. Peter Capriotti, Wilson avenue, are receiving congratulations upon the birth of a daughter on Thursday in Nazareth Hospital, Philadelphia. The baby weighed 8 lbs., 5 oz., and has been named Paula Jean. Mrs. Capriotti is the former Miss Pauline Accardi.

Mrs. S. Seneca, Franklin street; Mrs. William Tunis, Penn street; Mr. and Mrs. Angelo De Risi, East Circle, were Thursday guests of Mrs. Daniel Donaco, Philadelphia.

Francis Gallagher, West Philadelphia, has returned home following several weeks' visit with his uncle and aunt, Mr. and Mrs. Hubert Nelson, Nelson Court.

Mrs. John Arena and daughter, Jacqueline, Radcliffe street, have returned home following a week's visit with Mrs. Arena's sister-in-law, Mrs. Steven Salvo, Hammon-ton, N. J.

## Theatre-Goers Have A Fine Treat In Store

When the National Classic Theatre of New York presents William Shakespeare's "The Taming of the Shrew" at the Bristol High School auditorium Tuesday, Oct. 26th, at 8:30 p. m., local theatre-goers will see the famous play restored to the stage short of all the affectations and extraneous ideas which have been imposed upon the original text by generations of actors and directors.

Clare Tree Major, the eminent director of National Classic Theatre, whose international reputation as founder of Children's Theatre sometimes obscures the fact that she is one of the country's leading Shakespearean authorities, has long contended that the unnatural spouting of lines and bizarre tricks of staging which have come to be known as "Shakespearean tradition" were robbing the plays of their vitality and causing them to lose

their appeal as popular stage entertainment.

The general public apparently agrees wholeheartedly with Mrs. Major's view of Shakespeare as sound entertainment. The enthusiasm which National Classic Theatre productions aroused on its first nationwide tour four years ago was so great that a second tour the following year was necessary, this in turn led to a third. Now the company is engaged in its fourth consecutive coast-to-coast trek and the end is nowhere in sight.

The National Classic Theatre is being brought here under sponsorship of the Sisterhood of Ahavath Achim. The committee in charge of arrangements for the event is headed by Mrs. Herman Silber. Tickets for the performance may be purchased at schools as announced through the chairman and at centrally-located stores.

Charles D. Sanford, Miss Anna M. Valentine, Mrs. James Patton. This committee is to investigate the needs here and submit a plan to the city, in writing, consisting of the needs, method of taking care of the needs and how it could best be done.

Mr. Davis said he feels that it would be a good thing if a branch was started here as they need more people interested in the society as they are trying to do a real job and thus need as much help as possible.

Colonel Loyd and Mr. Davis both have interesting talks on what the society does and is trying to do.

Colonel Loyd stated that as soon as he receives the report from the committee he will see that action is taken at once.

It was announced that the committee will meet on October 28th and anyone interested in forming a branch in lower Bucks county should attend the meeting. The time and place of this meeting will be announced at a later date.

ST. FRANCIS WINS  
EASILY OVER THE  
NICETOWN TEAM

EDDINGTON, Oct. 19 — St. Francis Vocational School gridders chalked up their third straight win yesterday with a 25-6 triumph over the Nicetown Boys Club.

Brother Anthony's boys were trailing, 6-0, until mid-way in the second quarter and took a 13-6 half-time lead. The St. Francis team scored in the third and fourth quarters to clinch the tilt.

"Bobby" McGeehen made the first score of the game in the first session. St. Francis carried the ball to the five-yard line and lost it on downs. McGeehen broke loose on a fake kick and raced 55 yards to give Nicetown its score.

St. Francis also scored in the first quarter but an offside penalty nullified the play. It then worked the ball to the nine-yard line from where Harry Jackson scored. Anthony Sank place-kicked the extra point.

On a hand-off to Potter in the second period, the latter went 35 yards to score but again an off-sides penalty put back the play. Nicetown took possession but it fumbled on its 10-yard line and Nataro recovered for St. Francis. From the ten, McDermott skirted left end for a touchdown.

Jackson also scored the third touchdown from the 8-yard line after an exchange of punts. In the final canto, "Gusty" DeBello intercepted a pass on his 5-yard line and ran the remaining 95 yards for a touchdown.

Before the final whistle, Meyers intercepted a St. Francis pass and scored but a penalty erased the score.

St. Francis had 8 first downs while the visitors had 5.

48 hours pay for 40 hours work  
Penalty pay for weekends & holidays  
25¢ an hour increase  
Total 1 1/2 BILLION DOLLARS

1 1/2 Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year.

Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employees.

They want 48 hours pay for 40 hours work—in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25c an hour for every employee!

You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give one million employees an annual raise which would average \$1500 per employee!

The total cost of this would be no less than 1 1/2 billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased costs are forced on the railroads, they must have still further rate and fare increases.

Demands Unreasonable

These employees have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48c an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10c an hour.

Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!
